The claims addressed:

Water Claims

1. The Water Cycle Nuance
2. The Just Passing Through Technical Nuance
3. The “Nothing Is Added” Water Nuance
4. So-Called Closed-Loop Systems

Energy Claims

5. New and Advanced Nuclear Energy Claims
6. The Clean Nuclear Energy Nuance

Pollution Claims

7. The Tale of the Smokeless Data Center
8. The Tale of the Silent Data Center

Political Claims

9. The Hope that AI Will Save Us from Ourselves
10. The Community Prosperity Nuance
11. Eco Trickle-Down Claims
12. The Argument that Data Centers are Inevitable

Important boundary note: we aren’t saying they’re lying. That would be simpler to untangle.
